Asexualization of Certain Inmates of State Institutions Authorized. (Chap. 693, Act July 31, 1913.)

SECTION 1. There is added to the statutes a new section to read:

"SEC. 561*jm*. The State board of control is hereby authorized to appoint, from time to time, one surgeon and one alienist of recognized ability, whose duty it shall be, in conjunction with the superintendents of the State and county institutions who have charge of criminal, insane, feeble-minded, and epileptic persons, to examine into the mental and physical condition of such persons legally confined in such institutions.

"2. Said board of control shall, at such times as it deems advisable, submit to such experts and to the superintendent of any of said institutions the names

of such inmates of said institution whose mental and physical condition they desire examined, and said experts and the superintendent of said institution shall meet, take evidence, and examine into the mental and physical condition of such inmates and report said mental and physical condition to the said State board of control.

"3. If such experts and superintendent unanimously find that procreation is inadvisable, it shall be lawful to perform such operation for the prevention of procreation as shall be decided safest and most effective: *Provided, however,* That the operation shall not be performed except in such cases as are authorized by the said board of control.

"4. Before such operation shall be performed, it shall be the duty of the State board of control to give at least 30 days' notice in writing to the husband or wife, parent or guardian, if the same shall be known, and if unknown, to the person with whom such inmate last resided.

"5. The said experts shall receive as compensation a sum to be fixed by the State board of control, which shall not exceed \$10 per day and expenses, and such experts shall only be paid for the actual number of days consumed in the performance of their duties.

"6. The record taken upon the examination of every such inmate shall be preserved and shall be filed in the office of said board of control at Madison, Wis., and semiannually after the performing of the operation the superintendent of the institution wherein such inmate is legally confined shall report to said board of control the condition of such inmate and the effect of such operation upon such inmate.

"7. The State board of control shall report biennially in its regular biennial report the number of operations performed under the authority of this section and the result of such operations.

"8. There is hereby appropriated out of the State treasury, not otherwise appropriated, a sufficient amount of money to carry into effect the purposes of this section not to exceed \$2,000."

Water Supplies—Investigation Authorized. (Chap. 568, Act June 27, 1913.)

SECTION 1. The State board of health is authorized to act with the United States Geological Survey in determining the sanitary and other conditions and nature of the natural water supplies of the State of Wisconsin, such water survey to have for its objects:

(a) To determine the nature and condition of the unpolluted natural water supplies of the State;

(b) To determine to what extent the natural waters are being contaminated by sewage from cities;

(c) To determine to what extent the natural waters are being polluted by industrial wastes, such as come from glucose factories, creameries, and such other sources which produce pollution, and in what way these wastes might be utilized for beneficial purposes;

(d) To investigate water-borne diseases and assist in determining the best source of water supplies.

SEC. 2. The State board of health is hereby empowered and instructed to make such rules and regulations in conjunction with the United States Geological Department as may be necessary to carry into effect the provisions of this act.

SEC. 3. There is added to the statutes a new subsection to read:

"SEC. 172-27. 3. There is appropriated on July 1, 1913, \$3,000, payable from any moneys in the general fund, not otherwise appropriated, for the State board of health for the purpose of making a water survey as required by this
